

Dear Parents:

Please see the chart that will let you know the amount due for competition fees and costumes for the number of dances that you will allow your dancer to do. Simply find the number of dances that your dancer is in. See the amounts listed below that number to know what is owed for this year. **REMEMBER THE FIGURES LISTED BELOW ARE FOR ALL 3 COMPETITIONS. ALSO PLEASE SEE THE DATES AS TO WHEN THE FEES ARE DUE.** As of right now, Due to Covid-19, we didn't include a National Competition this year. Any money paid towards competition last year will be applied to your competition fees and costumes for this year. However, as stated before Tuition must be paid first. Therefore if you had outstanding tuition it will be taken out of your credit. Also, note that competition fees have gone up from \$49 to 55. Ms. Marcia will have the exact amounts for you by Oct 24th.
