The First \$75 Recital Costume Deposit is due by Nov. 15th

To the new parents, I know this may seem early but we go to Chicago in a few weeks to select costumes for our 2023 June Recital that all of the students participate in!! If you don't order early, they will not be back in time.

Costume fee packets will be available next week with the info on cost and how many costumes your dancer needs

PLEASE MAKE SURE YOUR DANCER GETS MEASURED WHEN YOU PAY YOUR DEPOSIT!

TUITION PAYMENTS

The Studio will be moving to Auto Draft for all Tuition payments. When paying your November Tuition, we will have you fill out a form with your information. You can use any form of payment that you want i.e. Checking Acct, Debit card, Charge Card, Cash App etc. Tuition must remain current. We will begin to charge Late Fees in November. We will also have a portal on line for all other payments **(Not Tuition)** i.e. costume deposits, Spirit Wear, competition fees etc, We feel that it will be safer to do money transactions online instead of at the counter.

Thank you, Ms. Judy
