

What an amazing way to end the season at Nationals! I am SO PROUD of everyone! **I have decided to invite everyone back for the 2025-2026 season!** Current Best Superstars will not have to tryout for the 2025-2026 season! Please mark your calendars for the week of August 24TH! We will begin **MANDATORY intensives**, dance routine invitations will be sent out and we will have class assessments on the final day of intensives.

To confirm your plans for the 2025-26 season, please click the Google link in the text message as soon as possible. Responses are due by Friday, August 1st, so we can begin building routine rosters without delay.
